

**Inviting candidates for a
walk-in interview for (USP/DSP)
Production and Quality department
for Zydus Biologics (Zydus Biotech
Park) on 3rd March, Sunday
from 9 am to 5 pm**

(The interviews will take place at Hyderabad)

Swipe to know more

USP Production

Executive / Senior Executive / Assistant Manager : M.Sc. / B. Tech / B. E / M. Tech – Biotechnology / Biochemistry with 3-10 years of experience in handling large-scale mammalian cell culture (SS bioreactor), media / feed preparation and its filtration. The job requires readiness of bioreactor and associated vessels (CIP, FIT, PHT, SIP), operation of bioreactor & associated vessels, readiness and operation of centrifuge, clarification of cells for manufacturing of monoclonal antibodies / bio therapeutic protein.

DSP Production

Executive / Senior Executive / Assistant Manager : M.Sc. / B.Tech / B. E / M. Tech – Biotechnology / Biochemistry Candidates with 3-10 years of experience in downstream purification process for recombinant products, TFF system, chromatography system, virus filtration procedures and CIP / SIP of the equipment.

Quality Assurance

IPQA

Executive / Sr. Executive : M.Sc. Biotech / Biochemistry / Microbiology with 3-7 years of experience in QA overview (IPQA) related activities for drug substance manufacturing alongwith handling process validations, batch release activities, cleaning validations, process investigation, OOS / OOT investigation, change control, deviation, CAPA and QMS activities.

Quality Control

Q.C. Chemical Analyst

Executive / Sr. Executive : M.Sc. Biotech / Biochemistry with 3- 7 years of experience in analysis of protein analysis, HPLC and capillary electrophoresis instrumentation, molecular biology, bioassay and lab activity related documents. Candidates would be responsible for reviewing all the documents, test reports, calibration report records, logbooks and formats in relation to the activity of protein analysis / instrumentation, molecular biology, bioassay and filling. They would also be responsible for carrying out investigation of incident, deviation and OOS generated during laboratory analysis.

For all positions mentioned, candidates having exposure to regulatory requirement of documentation and cGMP / GLP is essential. Preference will be given to those who have thorough knowledge of all the manufacturing operations of biosimilar products.

Note : (1) All the employees will be working in shifts according to work allocation.
(2) The shift deployment for Male Candidates will be A / B / C. Candidates can walk in with a recent copy of their resume with copies of relevant qualification certificates / mark sheets, PAN Card, Aadhar Card, latest increment letter, experience letter of previous organizations if any and salary slips for the last 3 months.

Venue :

Ellaa Hotels, Hill Ridge Springs, ISB Road, Gachibowli, Hyderabad - 500032
Telangana, Phone: +91 (040) – 66288488.
